PETITION TO CORRECT INVENTORSHIP
UNDER 37 CFR § 1.48(a)

Commissioner of Patents and Trademarks
Washington, DC 20231

Sir:

Applicants hereby petition to correct the inventorship in the above-referenced patent application. The foregoing application was filed naming two inventors, Howard Stern and John Dowling. While these two inventors are indeed inventors of the application, upon a detailed analysis of all of the claims of the application, it was determined that additional inventors had been omitted. In particular, Luis Alberto Figarella was omitted as an inventor, and the review of the claims indicated that he should be named as an inventor with regard to claims 8 and 31. Harry R. McKinley and Philip E. McKinley were omitted as inventors, and should be named as inventors with regard to claims 1, 9, 25, 28, 32 and 37. Finally, Jason J. Lee was omitted as an inventor, and should have been listed as an inventor with regard to claims 27 and 30.

Submitted herewith is a Declaration and Power of Attorney executed by all of the foregoing inventors, except for Harry McKinley, who was unavailable to execute the Declaration. A Petition setting forth the pertinent facts with regard to the unavailability of Harry McKinley is also enclosed.
